Congressman William S. Moorhead  
Rayburn Office Building, Room #2467  
Washington, D. C. 20515

Dear Congressman Moorhead:

I am writing as a very interested American in regard to the fate of RAOUL WALLENBERG, the Swedish diplomat and humanitarian who personally risked his life on innumerable occasions to save countless numbers of Hitler's victims.

While Russian claims indicate that Wallenberg had died in prison in 1947, evidence is mounting that he may still be alive in the Soviet gulag.

I fervently hope that my Washington representatives become actively involved in the search for the truth about this "lost hero" of the Holocaust, and will leave no stone unturned until the whole truth is known about his fate.

Thanking you for your attention to the above,

Very truly yours,

26
